

**IN-PERSON SUNDAY SERVICES:**

**10.30am In-Person Sunday Services @ Bodmin Town Football Club, Priory Park, Bodmin PL31 2AE**

- **Face coverings/ masks** are no longer compulsory (but people are welcome to wear one if choose to do so)
- **Singing** will be permitted in our worship services together & **praying** out loud when time allows
- A **hand sanitizer station** is available on entry to keep our hands clean & minimise any risk of virus transfer
- Please be aware of each other's **social space** and distancing. **Be respectful** if individuals are not yet ready to shake hands or make physical contact and wish to sit with spaces between themselves and others.

NB. For others remaining at home (due to health concerns) or unable to attend on this occasion, then you can continue to log-in on Zoom to watch the service from home.

**CHILDREN'S CHURCH CONTINUES:**

Our Junior Church sessions continue every Sunday morning for our 10.30am services. This will mean all children from primary school age 4 up to secondary school age 13 years old can now head out from the main service on a weekly basis at about 11am (when given notice from the front) for their own age-appropriate sessions, activities & teaching with the designated children's ministry team.

Parent(s) who bring children younger than 4 years old must take full responsibility to stay with them throughout the service (NB. Feel free to bring in any activities, books and games for them to play while the service is running.) There is also space for pre-school children to play or interact with other children in the back room on/by the sofas where some toys and books will be provided.

**YOUR HEALTH & SAFETY IS VITAL:**

As part of the plans to continue to gather in-person, we have done all we can to make sure the venue and service will minimise the risk of any spread of viruses. This has included the following:

1. **2x Sanitizer Stations** – one at the entrance of the venue & one at the exit of the venue
  - Please sanitize your hands on entry/exit to the venue AND on entry/exit to the toilet facilities
2. **Stewarding Team** – to prepare/ sanitize the room & seats/ rows in preparation of your arrival
3. **Safe seating plan** – allowing spaces between the seats/ rows for different families/ couples/ groups etc. to maintain social distancing from others if people choose to do so
4. **Safe Communion** – for Communion, then we will not be sharing from the same plate or passing around the communion wine. Instead, we will ask you to **collect your bread & wine (cup)** as you enter the main hall. NB. Bread & wine will be available on a table for all those who would like to join us in Communion.
5. **Toilets** – are available and please be aware of others personal space when using the facilities.
6. **Additional awareness** – remember to wash your hands thoroughly if using the facilities, and refrain from touching items/ furniture in the venue to minimise physical contact with others attending by your own discretion.

We know that since the lockdown restrictions have eased and Covid has less of an impact on our lives, many people are still cautious, so let's all continue to be sensible and respectful to one another, and most of all **'fix our eyes on Jesus, the Author and Perfector of our faith'** (Heb 12:2) – because He is the reason we meet, He is the reason we gather, and He is the One who is worthy of all our praises & worship!

***'Let us not give up meeting together, but let us encourage one another –  
and all the more as you see the Day [of Christ's Return] approaching!'  
(Hebrews 10:25)***

***'Love the Lord your God with all your heart and with all your soul  
and with all your mind [and with all your strength].'  
This is the first and greatest commandment.  
And the second is like it: 'Love your neighbour as yourself.'  
(Matthew 22:37-39)***
